## UNDERWOOD'S MULLED WINE

Our lovingly produced mulled wine is rich in aromatic cloves and cinnamon, with an excellently zesty punch of orange. Undoubtedly the best way to up your Vitamin C levels this winter.

## ULTIMATE HOT TODDY

We modernised the traditional Hot Toddy to give it a new edge, muddling a concoction of brandy, honey, lemon and stem ginger to create a spicy twist.

## MULLED CIDER

Clove-studded apples, spices, citrus and dark rum make this warm apple cider impossible to resist on a cold day.

## QUIN & TONIC

1 part Tarquin's Gin to 4 parts tonic, over ice. We like ours with a wedge of lime.

## THE DARK AND STORMY

An ounce of rum blended with warming Jamaican ginger beer, angustora bitters with a wedge of lime on ice.

## PROSECCO

The fizzy stuff. With or without a strawberry.

## JEREMIAH WEED

A refreshing and flavoursome alcoholic ginger beer.
